

CLUSTER
PODGE

A character with a round head and a single eye is sitting on a dark, rocky hill. They are looking up at a dark blue night sky filled with many small, yellow, four-pointed stars. A speech bubble is coming from the character.

What sky
are you
watching?

A character is sitting on a dark, rocky hill, looking up at a dark blue night sky. They are pointing their finger towards a constellation of stars. The constellation is a large, stylized tree or star shape. A speech bubble is coming from the character.
